

# BUTANE BURNERS

## Form for Mississauga Fire Dept.

Please fax back completed form to Festival office prior  
to April 9th: Fax (905) 842-6843

## For companies using Butane Burners

In accordance with the Mississauga Fire Department and the International Centre this form must be completed and returned to the Festival Office for exhibitors that are using Butane Burners in their booth at the Good Food Festival & Market. The Butane Burners must meet the Fire and Safety Regulations set out by the Mississauga Fire Department.

According to the regulations, we need to know the following prior to April 9. The Mississauga Fire Department will be conducting periodic inspections to ensure that specifications are met.

All exhibitors using Butane Burners are required to have a fire extinguisher in their booth. You must use fire proof table coverings and keep the butane burner away from the front of your booth or table.

Can you please provide us with the following information:
